The Modern Art Notes Podcast: Jennifer Steinkamp

By Tyler Green

Steinkamp was the subject of a 2006 mid-career survey organized by the San Jose Museum of Art and she's exhibited all over the world, including in the Corcoran, SITE Santa Fe, Gwangju and Istanbul Biennials. Her work is on view now at the New Orleans Museum of Art as part of Prospect 2, the New Orleans-based biennial organized by curator Dan Cameron. The work will be at NOMA through January 29. *Madame Curie* (2011), a commission that she created for the Museum of Contemporary Art San Diego, is on view at the museum's downtown Jacobs Building through January 2
